

Dates announced for Lady Bay Open Gardens 2021

The Lady Bay Open Gardens' dates for 2021 have been announced as 26 & 27 June 2021. This will be a very special year marking the 30th anniversary! In 2020 the event offered virtual garden tours for visitors' safety, due to the impact of Covid19.

The volunteer organisers are aiming to build on the amazing success of previous years and raise even more money for charities & other local good causes. Proceeds go to the Lady Bay Community Fund for distribution by Grants to Lady Bay groups & individuals, for purchases & projects. Other charities are chosen by the Gardeners.

The events Chair Tony Papkiewicz said, *"We had a fantastic mix of gardens contributing this year through our 'virtual' event. It is still to be decided on the format for next year but we hope to include an on-line element again as it enabled additional gardens & communities to get involved. We would like to thank this year's sponsor CL4Women financial planners for their continued support"*.
