## **Neighbourhood Plan Meeting**

**13<sup>th</sup>. April 2017**

**In attendance:** Richard Booth, Jo Mitchell, Dave Siswick.

**Apologies:**

The latest draft of the Neighbourhood Plan was available. The new amendments were discussed.

It was felt the NP Committee members should each read through this version, noting corrections, additions or other alterations they felt to be required.

The next meeting would involve the associated editing of the electronic copy of the Plan such that it could be then forwarded on to Janet Entwistle for her comments.

In the meantime, phone contact would be made (DS) with JE following her request for this by e-mail in March.

The next meeting will be held at Holmside Farm at 0930 on Tuesday May 9<sup>th</sup>.

Dave Siswick.
