| 1. We have put in place arrangements for effective financial management during the year, and for the preparation of the accounting statements.                                                                                                                                                      | Yes    | -   | prepared its accounting statements in accordance with the Accounts and Audit Regulations.                                                                                               |
| 2. We maintained an adequate system of internal control, including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness.                                                                                                                                     | Yes    | -   | made proper arrangements and accepted responsibility for safeguarding the public money and resources in its charge.                                                                     |
| 3. We took all reasonable steps to assure ourselves that there are no matters of actual or potential non-compliance with laws, regulations and proper practices that could have a significant financial effect on the ability of this smaller authority to conduct its business or on its finances. | Yes    | -   | has only done what it has the legal power to do and has complied with proper practices in doing so.                                                                                     |

| 5. We carried out an assessment of the risks facing this smaller authority and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required.                                                                        | Yes    | -   | considered the financial and other risks it faces and has dealt with them properly.                                                                                                     |

| 8. We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this smaller authority and, where appropriate have included them in the accounting statements.                               | Yes    | -   | disclosed everything it should have about its business activity during the year including events taking place after the year-end if relevant.                                           |
