

THE ACORN TRAINING SUITE

The Acorn Training Suite is located on the ground floor of the hospice building with easy access and parking space. It can accommodate up to 60 people, this is rows of chairs facing the white board. Please contact us if tables are required, as this will reduce the number of people we are able to accommodate. The Suite can be accessed from a separate entrance to the hospice and also has its own separate toilets for use.

The suite is air conditioned and provides an ideal venue for appropriate organisations with training needs or simply as a space for meetings or presentations. In July 2019 the computer and projector were both renewed, Wi-Fi also available.
