

Memorandum of Understanding

The Mayors of the cities of Ramallah and Oxford, meeting today, Monday 17th December 2018, in the Lord Mayor's Parlour in Oxford Town Hall, confirm our intention to work together to develop the links between our two cities.

We intend to build links between the citizens of Ramallah and Oxford and the many citizens' organisations in our cities, as well as between the civic and educational institutions and the business and economic communities.

It is our mutual desire that these links should foster understanding and friendship between the citizens of our cities.
