

The goods that you have helped to purchase will be distributed by the Women's Centre to families that need support.

The money will go towards winter clothes and blankets, heaters and an outing for women to support their mental health.

I have made a donation on your behalf to the Women's Centre in Am'ari refugee camp Ramallah, Palestine.

Oxford Ramallah Friendship Association aims to support people in Ramallah through making their stories known and in other practical ways. We aim to reduce the sense of isolation that comes from living under occupation and we are concerned with contact between people to promote understanding and friendship. ORFA raises awareness of human rights in Palestine.
