Aldfords

Welcome to Aldfords.

Aldfords are an independent and privately-owned corporate finance advisory business based in London. We offer expert advice on the raising and structuring of capital and debt.

We build strong relationships with our clients across the globe. We pride ourselves on being a respected and trusted firm of advisors.

We operate a specialist firm that exclusively operates within our chosen space.

We raise capital for our clients.

Navigating through a complex market to deliver simple and appropriate financing solutions.

If you are a company looking to explore the options available for a planned capital raise, we have a team of experts who are able to assist. Our team of experts can provide valuable market knowledge for property, working capital, acquisition and restructuring transactions.

Aldfords usually arranges facilities between £5m and £250m.

Structured finance.

We utilise our market knowledge and long-term relationships with banks, lenders and private investors to structure the most effective corporate solutions for our clients.

Our funding sources can provide capital for a variety of projects through various product styles. We have significant experience with development, commercial property, working capital, asset purchase and M&A transactions.

Aldfords provides timely and effective funding solutions to UK and international companies.
