

Funding

Goole GoFar's income comes from a mix of income streams: Grants, Local Authority contracts and the fares we charge on trips, outings, luncheons as well as donations gratefully received along the way.

Thanks to Andy Jackson's hard work, commitment, and perseverance through his work as the Community Development Officer, we have been fortunate to receive grants from the following in 2019/2020

- Awards For All

- Six Penny Wind Farm Community Fund

- Hey Smile – Covid-19
