

## Occupied Wheelchairs

If any of your group members **stay in their wheelchair** to travel, we will need to check that it has been “crash tested” by the manufacturers to be transported in a vehicle. A wheelchair “Passport” can then be issued. If their chair has not been crash tested, unfortunately they will not be able to use it to travel. This does **not apply** to passengers who can **transfer** from a wheelchair, allowing the chair to be folded and safely secured.

We would be grateful if you could complete the form below for any of your members that stay in their wheelchairs to travel or use a scooter. If you are unsure of what is required, please contact the office and we will be happy to advise you.

<b>Persons Name</b>	<b>Type</b> (Wheelchair)	<b>Make</b>	<b>Model Number</b>

Thank you for your time and cooperation with this matter
