

Volunteer Now!

When you become a Plot Holder, you also become a member of the Society and we hope you are enjoying your allotment community and the facilities available, from the on-site shop to the seating area and the freely available 'chippings'. Not to mention the social events (when we are allowed!!). None of this could be possible without the help and support of our members, whether it is being on the Committee, volunteering for the shop rota or occasional tasks that need doing – or even just buying a raffle ticket now and then.

There are many ways you can volunteer – just let us know how you can help.

Committee Member

Click here for a Nomination Form to stand as a Committee Member. This goes forward to the AGM (normally around December each year) and is voted on by the membership. It is also possible to become a co-opted member during the year. Nomination Forms should be returned to David Taylor, Secretary at beas.secretary@outlook.com, either by email or in the post box by the main entrance.

Social Committee

We are always looking for volunteers for our Social Committee which has responsibility for running the Open Morning and Coffee Mornings etc. Anything social that brings our Allotment Community together. Please contact Linda Taylor at beas.chair@outlook.com or ring on 07881901729

Regular Volunteer in the Shop

We are always looking for people who will be available to help in the shop. You can choose how many shifts you would be able to do – it could be one a week or one a month. To find out more please email the Assistant Shop Manager, Peter Durrant on beas.asstshopmanager@outlook.com

Occasional Volunteer

We have tasks that need to be done on an occasional basis, like cutting the grass, maintaining machinery (lawnmowers etc), trimming the hedge or helping unload a load of compost. If you are happy to be put on our list and be contacted for availability when these tasks come, then please email Linda Taylor at beas.chair@outlook.com

Thank You
