

## VOLUNTEERING

As you know, the Society is self managed and run by a Committee of Volunteers who are voted in at the AGM each year. There are always jobs that need doing round the site on a regular basis as well as ad hoc projects that come up from time to time, so the Committee would always be grateful for your help. Depending on the job, it could be a couple of hours of your time once or twice a year or, if you have the time, a more regular slot in (for example) the shop.

We would like to update our list of willing volunteers so it would be helpful if you could complete and return this form to [beas.chair@outlook.com](mailto:beas.chair@outlook.com)

Name ..... Plot No: .....

Tel No: ..... Mobile No: .....

Email address: .....

### **Becoming a Committee Member**

Are you interested in becoming a committee member? If so, please tick the box and someone will contact you with more information and how to go about it.

### **Shop Duty**

We need a helper to work with a Committee Member for each session in the shop. Please indicate below if you are able to volunteer and how many times (potentially) you could help.

#### ***Availability (please circle):***

Sundays 10.00-12.00 (end of Jan to beginning of Dec)    One    Two    Three    Four    More

Tuesdays 10.00-11.00 (end of Jan to beginning of Dec)    One    Two    Three    Four    More

Thursdays 10.00-11.00 (end of Jan to beginning of Dec)    One    Two    Three    Four    More

Saturdays 10.00-12.00 (March - August)    One    Two    Three    Four    More

## Help with Site Maintenance

Tasks and their frequency vary throughout the year, but there are regular tasks that need to be done to help us maintain the site e.g. a volunteer cuts the grass on the main paths when they need to be done. Other examples are coming along to a site inspection once a year, cutting the hedge by the main gate, weeding the seating area, servicing the petrol machinery etc.

*Please put a tick the box if you would be interested in helping.*

## Particular Skills

If you have particular skills or experience that could help keep the society working smoothly e.g. plumbing, carpentry, painting, machinery maintenance, IT, design, website development, to name but a few, we would be grateful to know. Please write these below:

Please complete this slip and email it to [beas.chair@outlook.com](mailto:beas.chair@outlook.com), hand it in to the shop, pop it in the postbox by the main gate or give it to any committee member
