

# Recipe for Dog and Cat treats

## Ingredients

- 1 Egg
- 150g Wholewheat flour
- Tin of tuna (not in brine)
- Cookie cutters

## Instructions

- Put all the ingredients in a bowl and mix together till all mixed in.
- Powder some extra flour on the worktop and roll out your mixture to about 1cm thick.
- Cut out your mixture with a cookie cutter and place on a baking tray.
- Cook for 20mins at 180'c
- Leave to cool before feeding to your pets, and test a little to make sure it doesn't upset their tummies before feeding them the whole batch!
