

Welcome to the team!

WE DISCOVER, WE GROW

Girlguiding

Cambridgeshire West

We are excited for you to join our team!
Here are a few tips and tricks to get you started.

How to log into Go

Go, is our online database of all the information we need to access as leaders. It holds the girls information and it's where we record all their program and achievements.

You'll need to login and update your record. The link is below and you will need to have your membership number to hand, you should select don't have a login and it will send you an account creation link.

Once you are in make sure you go to your name on the top right and check all the details about yourself, especially marketing preferences as these are automatically opted out and if you want to receive news from Girlguiding and from the county you'll need to allow marketing.

The link you need is:

<https://go.girlguiding.org.uk/>

E-learning

There are a few e-learning videos that are you can complete in preparation.

Safe Space levels 1 and 2, are essential. There are also a number of other sessions you can watch if you wanted to. You can find these in GO, under learning opportunities.

Who to ask for help?

1. Try reaching out to your unit team

Someone in the unit may have the answer to your question, and it's always a great idea to make contact with your new unit. There may also be local District or Division Facebook groups where people can help you.

2. Commissioners

Your commissioner should have introduced themselves to you and they are always a great starting point for any questions you may have. If not your District commissioner, but your Division Commissioner should be able to help too.

Contact details for your Division Commissioner can be found on our website:

3. County Office

Jackie and Cathie are our County administrators. They are there to help the county run smoothly. If you need to contact them you can do so on office@ggcw.org.uk or on 01480 877307.
