Draw nearer, draw nearer,

In the gloaming, in the gloaming,

Come sing and be merry

The Moose Song

There was a crazy moose (There was a crazy moose)

Who liked to drink a lot of juice (Who liked to drink a lot of juice)

There was a crazy moose (There was a crazy moose)

Who liked to drink a lot of juice (Who liked to drink a lot of juice)

(Chorus) Singing way-oh, way oh (Singing way-oh, way-oh!)

Way-up, way-up, way-up way-up(Way-up, way-up, way-up. way-up)

Way oh, way oh (Way oh, way oh)

Way-up, way-up, way-up, way-up (Way-up, way-up, way-up way-up)

The moose's name was Fred..... he liked to drink his juice in bed

He drank his juice with ease.....he used to rest it on his knees

He drank his juice with care.....but he spilt some in his hair

All his hair went stiff.....so he combed it in a quiff

His friends began to laugh.....so he had to take a bath

As the water went down.....Fred the moose began to drown

(chorus this time only:) Singing glug-glug-glug-glug etc.

Now let's all count to five.....Fred the moose is back alive (Singing way-oh way-oh...etc.)

Edelweiss

Edelweiss, Edelweiss,

Every morning you greet me,

Small and white, clean and bright,

You look happy to meet me.

Blossom of snow, may you bloom and grow,

Bloom and grow for ever.

Edelweiss, Edelweiss,

Bless my homeland for ever.

Sung in a circle, rhythmic hand - claps as follows : with RH, LH of person to R, own R knee, own L knee, underside of own LH, two claps on palm of own LH, LH meanwhile extended palm uppermost for person to L to do same. When everyone has mastered this, reverse direction.

Barges

Out of my window looking in the night

I can see the barges' flickering light

Silently flows the river to the sea

And the barges too go silently

Barges I would like to go with you

I would like to sail the ocean blue
Barges have you treasures in your hold?
Do you fight with pirates brave and bold?
Away from my window on into the night
I will watch till they are out of sight
Taking their cargo far across the sea
I wish that someday they'd take me
How my heart longs to sail away with you
As you sail across the ocean blue
But I must stay beside my ocean clear
As I watch you sail away from here
Out of my window looking in the night
I can see the barges' flickering light
Starboard shines green and port is glowing red
You can see them flickering far ahead

Leaders

(Barges)

Out of my tent flap looking in the night
I can see the leaders, boy, what a sight!
Curlers in their hair and cold cream on their face
They look like something from outer space

Leaders, I would like to be like you
I would like to have some privileges too
Leaders, have you cookies that you hold?
Do you share with Scouts brave and bold
Out of my tent flap looking in the night
I can see those leaders having a fight
Silently goes a pillow through the air
And here comes someone's underwear
Leaders, I don't want to be with you
I would probably end up black and blue
Leaders, have you cookies that you hold?
Do you share with Scouts good as gold

Land of the Silver Birch

Land of the silver birch, home of the beaver,
Where still the mighty moose wanders at will;
Blue lake and rocky shore,
I will return once more,
(Boom-diddy-ai-dai, boom-diddy-ai-dai, boom-diddy-ai-dai, boom).

My heart is sick for you here in the lowlands,

I will return once more, hills of the North.

Blue lake and rocky shore, etc..

(Boom-diddy-ai-dai, boom-diddy-ai-dai, boom-diddy-ai-dai, boom).

Swift as a silver fish, canoe of birch-bark,

Thy mighty waterways carry me home;

Blue lake and rocky shore, etc..

(Boom-diddy-ai-dai, boom-diddy-ai-dai, boom-diddy-ai-dai, boom).

Here, by the blue lake's shore, I'll place my wigwam,

Close to the water's edge, silent and still;

Blue lake and rocky shore, etc..

(Boom-diddy-ai-dai, boom-diddy-ai-dai, boom-diddy-ai-dai, boom).

My Father's A Lavatory Cleaner

(My Bonnie Lies Over the Ocean)

My father's a lavatory cleaner

He works both by day and by night

And when he comes home in the evening

He's covered all over in Shine

Up your buttons with Brasso

Its only three pence a tin

You can buy it or nick it from Woollies

But I doubt if they'll have any in

Some say that he died of a fever

Some say that he dies of a fit

But I know what my father dies of

He died of the smell of the Shine

Up your buttons with Brasso

Its only three pence a tin

You can buy it or nick it from Woollies

But I doubt if they'll have any in

Some say that he's buried in a graveyard

Some say that he's buried in a pit

But I know where my fathers buried

He's buried in six feet of Shine

Up your buttons with Brasso

Its only three pence a tin

You can buy it or nick it from Woollies

But I doubt if they'll have any in

Three little angels

Three little angels, all dressed in white,
Tried to get to heaven on the end of a kite,
But the kite string was broken, Down they all fell,
Instead of getting to heaven they all went to
Two little angels..... One little angel.....

Three little devils, all dressed in red,
Tried to get to heaven on the end of a bed
But the bed knob was broken.....

Two little devils One little devil

Three little Girl Guides, all dressed in blue,
Tried to get to heaven on the seat of a loo,
But the loo chain was broken.....

Two little Girl Guides One little Girl Guide

Don't be mistaken, don't be misled,
Instead of getting to heaven
They all went to BED!

On top of spaghetti

On top of spaghetti,
All covered with cheese,
I lost my poor meatball,

When somebody sneezed.

It rolled off the table,

And on to the floor,

And then my poor meatball,

Rolled out of the door.

It rolled in the garden,

And under a bush,

And then my poor meatball,

Was nothing but mush.

The mush was as tasty

As tasty could be,

And then the next summer,

It grew into a tree.

The tree was all covered,

All covered with moss,

And on it grew meatballs,

And tomato sauce.

So if you eat spaghetti,

All covered with cheese,

Hold on to your meatball,

Whenever you sneeze.

I went to the animal fair

I went to the animal fair

The birds and the beast were there

The big baboon at the light of the moon was combing

Oban hair

The monkey fell out of his bunk

Slid down the elephants trunk weeee

The elephant sneezed and fell on his knees and what became of the
monkey monkey monkey

This little Guiding light of mine

I'm gonna let it shine

Let it shine all the time let it shine

Don't you (*pouf*) me little light out

I'm gonna let it shine, etc.

Take my little light round the block

I'm gonna let it shine, etc.

Hide it under a bushel? Oh, no

I'm gonna let it shine, etc.

Don't you (*pouf*) me little light out

I'm gonna let it shine

Take my little light round the block

I'm gonna let it shine

Hide it under a bushel? Oh, no

I'm gonna let it shine, etc.

Let it shine all the time let it shine
