

“And Jesus saith unto him, the foxes have holes,
and the birds of the air
have **nests**;

but the Son of man hath not where to lay His head.”

Matthew 8:20 KJV

Bird's Nests

Jesus spoke these words to a scribe. Scribes were religious men who wrote and studied God's law.

This man had just told Jesus he would follow Him wherever He went. Jesus reminded the man that to follow Him would mean giving up everything else.

Following Jesus is not always the easy way but it is the best way!

The bird's **nest** is a wonderful creation, the birds know how to make a safe and comfortable place to lay their eggs and raise young chicks.

This is evidence that the earth has a Creator!

Jesus did not spend His time on earth making money, or building Himself a fancy palace. Jesus spent His time helping others, preaching, and teaching.

In the woodland we often see bird's **nests**. Tree sparrows like to nest at the edge of the woods, and many other birds find the woodland a good place to **nest** and live.
