Ride Together - Train Together - Compete Together - Have Fun Together

## 2024 BODY PROTECTOR REQUIREMENTS

### **G22.3: Body Protectors**

A body protector is obligatory in all cross-country competitions and is strongly recommended in show jumping competitions. A BETA Level 3 displaying a Blue 2018 Label must be worn in competitions where a body protector is obligatory. **From 1 Jan 2024, the BETA 2009 Purple Label will no longer be accepted.** The ONLY exception to this requirement is that the Exo Body Cages will continue to be accepted, provided they have a BETA Level 3 Purple 2000 Label.

Riders wearing Exo Body Cage protectors must inform the secretary at all events. Body protectors should be fitted and worn as per the manufacturer's instructions. The up-to-date BETA list of body protectors can be obtained from [www.beta-uk.org](http://www.beta-uk.org)

If a rider chooses to wear an airbag style body protector for cross-country it must be worn over a permitted BETA Level 3 body. Hybrid Air-jackets and air jackets incorporated into a blouson style jacket are permitted. It is recommended that body protectors are replaced once they are more than 5 years old.
