All proceeds will go to The Arundel Castle Cricket Foundation which has been encouraging and educating the young for over 30 years – particularly those from disadvantaged backgrounds, introducing them to cricket and a range of other educational activities.

There has always been a strong desire to support the needs of inner city children and youngsters from the London boroughs especially. Over the years we have devoted much time and energy to children with special needs, learning difficulties and those with sensory and physical disabilities.

We hope that you will share our enthusiasm for this project, the value of which can hardly be overestimated at a time when the young are exposed to so many other pressures in their lives. We also hope you will have a wonderful day in the process.
