3 April 2025	Luston, Bircher, The Brick House Luston Leominster Herefordshire HR6 0EB	T1: Cypress, to be felled. Recent storms have indicated that the tree is shifting/heaving at the base. Felling this tree would negate the risk of damage to the pavement/road, and any risk of tree failing into road. T2: Goat Willow; Remove two large lower lateral limbs on the (approx.) Northern and Southern sides, to leave an upright main stem which are at risk of failing with further growth. T3: Cypress, to be felled. Growing very large for the space, immediately adjacent to neighbouring property. Removal of this tree would remove risk of damage to the house should the tree fail, or any damage caused by roots.	Cons Area	Valid	348719	262982	P251102/K
8 April 2025	Cradley, Bishops Frome & Cradley, Land at Chapel Lane Cradley Nr Malvern Worestershire WR13 5HY	FIVE DAY NOTICE- Several Sycamore trees leaning, 8-9 are dead which is of concern. Four trees have already fallen over in the field and one tree has now fallen and is resting on a tree facing the lane.	TPO	Valid	373012	247207	P251131/J
7 April 2025	Kington, Kington, Paddock near Kington Fire Station 4 Churchill Road Kington Herefordshire HR5 3AJ	T1 Sycamore - Pollard all upper limbs using ropes and pullies leaving main trunk in situ. T2 Pine - Cut upper trunk bringing tree to 9ft height (neighbours raised concerns re safety).	TPO	Valid	329360	256691	P250791/J
