Chief Operating Officer: J.E. Rufey

COVID -19: Update on Club activity - 19th March 2020

In these uncertain times, the wellbeing of our Members, staff and the wider community is of utmost importance. With this in mind, we continue to monitor the advice of the government and public health bodies closely.

At present our office staff are working remotely. If you do require information from the Club, please email – james@arundelcastlecricket.co.uk

As already announced our Annual General Meeting on 25th March has been postponed. We will re-issue another date in due course. The FACCC Spring Lunch (2nd April) has also been cancelled.

In line with government advice regarding social distancing, the ECB has recommended that all forms of recreational cricket (including training and any associated cricket activity) are suspended. This is a recommendation fully supported by the FACCC.

Thank you as always for your support.

James Rufey
Chief Operating Officer
Arundel Castle Cricket Club Limited
